Telephone: 080-2839 5888/2839; E-mail : [asmblr2015@gmail.com](mailto:asmblr2015@gmail.com)

**Synopsys of the Talk**

Two case studies to illustrate methods and benefits compared to traditional bridge construction and gap balancing. The cases will include:

1. Bogibeel rail cum road bridge - Longest Rail-Cum Road bridge in the World
2. Chenab Rail Bridge - Highest Arch bridge in the World
